Dear Members of the Native Plant Society:

On behalf of the College of Arts and Sciences, I would like to thank you very much for your recent gifts to our Biology- Herbarium Department. We thank you for your sustained and meaningful giving over the years. The faculty, students and departments using these funds are most grateful for your generous support.

In the College of Arts and Sciences, your gift helps students of today and tomorrow enjoy all that NMSU has to offer. From exceptional academic experiences and transformational opportunities to critical assistance with financial aid, unique student experiences are made possible through the power of your gift. We are most grateful!
